

**CANDIDATE FOR TOWN COUNCIL MEMBER
TOWN OF YUCCA VALLEY**

NAME: DAVID T. MUNRO

AGE: 37

OCCUPATION: Emergency Services Director/USMC Veteran

As a Yucca Valley resident for eleven years and from nearly five years as a Town employee, I understand and share our Town's values and goals. We want amenities and vital businesses, but not the uncontrolled growth found elsewhere in Southern California. We want to **grow smartly** while preserving the small town environment that makes Yucca Valley very special.

But Yucca Valley also has problems: Lack of a sewage system threatens our drinking water; traffic safety problems that have cost lives; vacant shops in our shopping centers; blighted commercial and residential areas; streets needing repair; lack of adequate code enforcement; illegal dumping; and hillside developments that **THREATEN YUCCA VALLEY'S BEAUTY**.

I'm committed to preserving our quality of life. As your councilmember, I will implement a vision to improve infrastructure, increase needed local services, and enhance communications between the council and residents.

We need clear thinking council members who listen, reason, and work toward consensus while understanding the long-term impacts of their decisions. Nineteen years of public service provides me the skills and experience to do the job. I have demonstrated the competence and **positive attitude** necessary to protect our core values.

Please support me with your vote.
